Emily presented an info-graph with survey data and explained the initial results.

The number of survey responses now totals 190. The survey is going to be shared with Chamber of Commerce members via email and social media. There may be completed paper surveys at the Library and Senior Center that still need to be accounted for. Ed is going to share the survey results and the public workshop details with the Board of Selectmen at the September 11 meeting.

The group discussed leaving the survey open for a few more weeks, possibly until mid-August.

The Public Workshop will be held September 18, 2023 from 6-8 pm at Auburn Town Hall. The public workshop will allow residents to see the survey results for themselves, as well as provide more input and participate in interactive mapping activities. The survey will be officially closed by the next meeting so that all data can be compiled and we can begin to plan the public forum.

Next meeting is scheduled for 8/17/23.

Meeting adjourned.
